

INDICTMENTS BY
THE GRAND JURYRETURNED IN COCK FIGHTING
CASES—\$1,000 DAMAGE VER-
DICT OTHER COURT
NEWS.

The grand jury reported on Tuesday and was finally discharged from service at this term of court. About 30 indictments were brought in growing out of the investigation chicken fight in this county.

It is said that several who were merely spectators at one of the fights and in no way connected the "club" which is alleged to have been organized to promote the "sport" will fight the indictments in the court holding that they have in no way violated the statutes and were not legally liable to indictment.

On Tuesday Judge Walker gave peremptory instructions from the bench for the dismissal of the \$15,000 damage suit brought by the administrator of Case B. Reynolds against the Cincinnati Southern railroad.

A jury awarded General H. Floyd \$1,000 damages against Crit and Clava land Floyd for assault and battery. They were alleged to have jumped on and badly maltreated the plaintiff, at his home near Waynesburg. Attorney George D. Florence prosecuted the case for him.

Will Mershon the youngster who has gotten in bad on a number of charges, was tried on Monday and ordered sent to the House of Reform until he is 21 years of age. He has been to that institution before but escaped and has gotten into considerable delinquency since.

The court then took up the \$30,000 damage suit of Bessie K. Engleman's administrator against the L. & N. railroad.

Cut-Out Fails

BURLY TOBACCO UNION NOW DE-
CLARES IT OFF.

The movement to cut out the Burley tobacco crop for 1911 inaugurated by the Burley Tobacco Union is dead unless the Burley Tobacco Society now declares for the cut-out in this event the union stands ready to lend its utmost aid to the cause. This was an official announcement made Tuesday by the Executive Committee of the Burley Union after an executive session behind closed doors in Lexington. The meeting of the Committee at this time was brought about through the reports of "night riding" and threatened outrages on the excuse of forcing a cut-out, and the members of the committee being unwilling that any injury to the peace and good name of the state should be laid at the door of the Burley Union, took occasion to set right the attitude of the union and to practically repudiate, as authorized, the action of the red-hot meeting of growers held here on February 20, which declared for a cut-out with or without the Burley Society.

The committee put it squarely up to the Burley Society to determine whether or not there shall be a cut-out. Some of the cut-out enthusiasts express the hope that the district board of the society, at its quarterly meeting in Lexington next Tuesday, will declare for a cut-out but reports from the country are that farmers are already making plans to raise the customary crop and it is probable that there will be no restraint on the production of Burley tobacco this year.

At the meeting in Lexington six of the nine members of the Union Executive committee were present. President June W. Gayle was absent, and Vice President Middleton acted as chairman. For the first time in the history of the union the meeting was secret. The members of the committee retired to a room at the court house at 1:30 o'clock and did not reappear until nearly 5 o'clock. The interested group who had gathered about the door were then invited in and the committee's statement read aloud. At the end of the reading, campaign chairman Bradley Wilson expressed regret that the committee had seen it fit to discredit the efforts to force the society to make some action and declared that he hoped action would be taken at the society district board meeting next Tuesday. The Hon. Job Stevens dramatically exclaimed to the committee:

"You have killed your own child."

A few minutes delay in treating some cases of croup, even the length of time it takes to go to a doctor often proves dangerous. The safest way is to keep Chamberlain's Cough Remedy in the house and at the first indication of croup give the child a dose. Pleasant to take and always cures. Sold by Peany's Drug Store.

Lost—Gold seal ring with initials "F. B. T." Reward for return to Mrs. Clara S. Wadley.

DETAILS OF THE
BIG MORELAND FIRENORTH WIND WAS ALL THAT
SAVED TOWN FROM BEING
WIPE OUT.

Moreland March 2.

The citizens of Moreland were awakened by the cry of fire, the ringing of bells and the shrieking of railroad engines, last Sunday night between 12 and 1 o'clock. After turning out it was found that a large tobacco barn known as the Dalton barn, was in flames. The barn contained about 8,000 pounds of tobacco belonging to Ferrill & Jennings five or six hundred pounds of wool belonging to Bowen Geyer, a pair of Fairbanks scales, valued at \$125. The roof was falling in when the fire was discovered. The barn and contents were entirely destroyed. The flames spread to the barn adjoining on the lot of Mrs. Gilliland. This barn contained some hay about three dozen chickens and some tools belonging to Mr. Hopkins. Mrs. Priscilla Brown's barn also destroyed. The roof of Mr. Southerland's house caught on fire but was seen in time to be saved. Mr. Hill Jennings's residence and also his buggy house caught fire and Mr. Jennings was kept very busy to keep them from being completely destroyed.

The coal oil wagon of the Standard Oil Company's which was several hundred yards away, but being in line with the sparks caught fire and burned the top off causing great excitement as the tank was full of oil. The wind being from the north alone saved the main body of the town from greater loss. The loss on the warehouse was about 2,000 with only a few hundred dollars insurance.

Mr. Roy Arnold and family of Danville spent Sunday with relatives here. Mr. and Mrs. T. A. King spent Sunday with home-folks.

Bro. Jones failed to fill his appointment here Sunday afternoon on account of serious illness of his father.

Bro. Palmer, preached an interesting sermon Sunday to an appreciative audience.

The Children's Missionary Society met at the M. E. Church Sunday afternoon. Had a very interesting meeting.

Mr. Billie Dinwiddie, of Hustonville, has been visiting his sister Mrs. Carpenter.

For Sale-Keeping

THREE NEGROES ORDERED TAKEN
TO LEXINGTON BY JUDGE
WALKER.

Sheriff W. L. McCarty returned from Indianapolis on Wednesday with Bud Hawkins, the third negro highway man, who robbed and assaulted the tobacco men of Danville pike a short time ago. Hawkins is a big bull-necked negro and looks just the man to do such a job.

He was presented in court Thursday morning before Judge Walker where he entered a plea of not guilty. Arraigned and was ordered taken to Lexington for safe keeping. Judge Walker did not want to risk any chance of a mob attempting to get them. The trial of these three men will come up the June term of court. Deputy Sheriff W. S. Embury and Jailer Dink Farmer took them away.

KEEP THE KIDNEYS WELL.
Health is Worth Saving and Some
Stanford People Know How
To Save It.

Many Stanford people take their lives in their hands by neglecting their kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. The following statement leaves no ground for doubt.

Mrs. B. Walter, Hill St., Lancaster, Ky., says: "I never fail to praise Doan's Kidney Pills when I have the opportunity, as they are certainly an excellent remedy. I have not been without a supply in the house for years. Whenever my back becomes lame and painful, a few doses bring me instant relief. At one time I feared that I had serious kidney trouble. The kidney secretions were unnatural and gave unmistakable evidence of disordered kidneys. At that time it was my good fortune to hear of Doan's Kidney Pills and I began their use. In a short time my kidneys were restored to normal condition."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

CINCINNATI MARKETS.

An attack of the grip is often followed by a persistent cough, which in many proves a great annoyance. Chamberlain's Cough Remedy has been extensively used and with good success for the relief and cure of this cough. Many cases have been cured after many other remedies have failed. Sold by Peany's Drug Store.

HOWARD CAMNITZ

WEDS BEAUTIFUL GIRL

A CASE OF LOVE AT FIRST SIGHT
—OTHER NEWS FROM
THE WEST END.

Hustonville, Ky., March 2.
Tuesday's Lexington Herald had this story of a wedding which is of great interest here and in Lincoln county.

Howard Camnitz, box artist on Barney Dreyfuss' Pittsburgh National League team was married Monday to Miss Mary Lawrence Claxton of Louisville, by Mr. J. W. Porter at his residence on West Main street.

The marriage took place at 7 o'clock Monday evening. Mr. Camnitz came here from his home in Hustonville, Kentucky, yesterday afternoon with his bride-to-be, his sisters Mrs. Walter Van Arsdale and Miss Edna Camnitz his brother Harry, and Dr. O. S. Williams of Hustonville. They registered at the Phoenix Hotel and were taken soon afterwards in an automobile to Dr. Porter's home for ceremony, returning downtown in time to see "Bright Eyes" at the Lexington Opera House.

Miss Claxton was dressed last night in a dark blue suit. She and Mr. Camnitz have known each other for ten years or more and their marriage is the ripening of a friendship formed a decade ago.

The bride is a close friend of the Camnitz family, and often visited her husband's sisters in Hustonville. The big Pittsburgh twirler arrived in Hustonville about two days ago from New York City, where only a short time before he had affixed his signature to a 1911 contract with the band of Pirates. Miss Claxton was already in Hustonville and the party of five came on to Lexington yesterday.

They will leave this morning at 9:30 o'clock over the Q & C. for Hustonville to remain about two days, when Mr. Camnitz and his wife will go to Louisville. Next Monday they will go to West Baden Springs, where the husband will meet his teammates and loosen the kinks in his arm for the 1911 season.

About ten years ago Camnitz won fame as a college pitcher while at Central University. He left in 1901 and went to Greenville, Mississippi. Pittsburg reached out for him in the fall of 1908 and sent him to Springfield, Illinois, the next spring where Camnitz practically won a pennant for the Sucker State Capital City team.

He was recalled but sent to Toledo, Ohio, the next year. In 1907 the Pirate manager considered him ripe for major league duty and he was made a full-fledged Pirate. Since that time he has preyed recklessly on National League batters and two years ago was the sensation of the parent circuit. Camnitz was not in good condition at the time of the "World's Series" with Detroit, and lost a great deal of favor. He "came back" and Barney Dreyfuss was glad to get him this year.

This union was the climax of long and devoted love at first sight affair. They leave in a few days for West Baden Springs, Ind., where Camnitz will begin training for the coming season's strenuous work with the Pirates who he pennant he hopes to again lead the procession.

Howard Camnitz of our city having again signed a Pittsburgh contract with report next Monday at West Baden, Ind., to train for his arduous duties the coming season. His handsome bride will accompany our famous Kentucky hero, around the circuit to aid him with her presence, that he may end the season as the Champion pitcher of America.

The Hustonville Hop Club gave a most delightful hop and supper in the Newtonian Hotel Friday night of last week. The orchestra from Danville furnished the music for the occasion. Among the chaperones for the Carnival of Musical Romances given in Louisville last week our city had the honor of being most ably represented by Mrs. Hill Spalding for which our entire population are very grateful.

Powell and Depps sold J. C. Harper of Salesbury, N. C., last week one 5-year-old gelding by Daresall and one by Dignity Dare 4-years-old both for \$700.

On account of rural route No. 1 being over standard distance and being in very bad condition to travel, the department will soon issue an order reducing route to standard distance in order that carrier may reach office in time to catch last out-going mail.

Clive Dunn resigned Monday as town marshal to accept a position as commercial pilgrim for a Louisville firm. Coleman Sutton has been appointed successor to Mr. Dunn and has taken charge as chief of police.

Miss Angie Carpenter's class in elocution and music will give a recital on Friday evening March 3rd in Alcorn's opera house. All lovers of music and accomplished recitals are cordially invited to attend. Admission free.

"Gone, but not forgotten" should be in the mind of every member of Hustonville Christian church for our beloved brother Frank Vaughn. He loved the Master's cause as evidenced in his last will and testament, leaving funds to aid in improvement to the church and to pay a pastor for years to come.

Miss Pearl Tinsley is visiting relatives and friends at Dunbar, Ky.

MAD DOG SCARE

ON STINGY CREEK

SEVERAL CANINES BITTEN BY
RABID ANIMAL—BAD ROADS
IN EAST END.

Prencheraville March 2.

A dog supposed to have been mad went on a rampage on Stingy Creek last week and bit some dogs belonging to Josiah Anderson, Thos. Naylor and others. After attacking some dogs at W. Oushorn's the canine left for parts unknown. A farmer from lower Garrard tells us of quite a scare there some days since and several dogs had to be killed.

Boys in this section have grown to manhood since the pikes in this section were ditched in a proper manner. The center of the road-bed, which should at all times be a nice well-rounded crown, is now, in many places the lowest part of the road, and water of its own sweet will running where-soever it listeth. A nice coating of mud, about the consistency of batter, makes any kind of travel something fine just after a rain. A blind man with his stick box full of cars, and worry, might ride over our roads and make a count of those bug holes which disperse care, worry, jolt your dinner down, and if there is anything in the man's make up which approximates profanity, the evening atmosphere will get few streaks of deep sulphurous blue! Then our bridges are not just what they ought to be. Only yesterday, while two little children were crossing the bridge over Drake's Creek, the horse which they were driving scared and backed off over a twelve foot abutment which was not banistered, but by a miraculous providence the little ones escaped uninjured. If limbs were broken or the lives of these innocents had been crushed out could not Lincoln county be made defendant in a legal suit?

David Spoonamore, of Hedgeville, was a guest of Geo. O. Spoonamore and wife. Mr. and Mrs. T. W. Jones, of Stanford, with their guests, Mr. and Mrs. Norman, of Walton, Ky., were visiting J. M. Cress and wife. Mrs. William Henderson, of Paint Lick, and Miss Minerva Cox, of Lancaster, were guests of Mr. and Mrs. John Williams. The Misses Holtzclaw of Gilbert's Creek, were with Mrs. Emma Holtzclaw. John Bell and wife of Goshen visited John Naylor, J. R. Marchbank, of Paint Lick, visited John Hester. John Anderson of Crab Orchard, visited J. L. Anderson and G. A. Brown. Miss Jennie Rogers of Cedar Creek, was a guest of Miss Katherine Melvin. Misses Mary Anderson and Gertrude Adams visited Miss Carrie Naylor.

Mr. and Mrs. J. J. Thompson gave a delightful dining last week. The following were present: Rev. Johnson and wife, Rev. Sprinkles and family, Rev. J. E. Roberts, Logan Thompson and family, Mr. and Mrs. M. O. Kennedy P. B. Thompson and wife, P. F. Kennedy and wife, Mesdames J. W. Aker and Hayden Leavell, and Misses Cora Bryant and Fannie Carpenter.

Mrs. Mattie Lunsford, wife of J. M. Lunsford, of the Goshen section has been ill of poison oak. W. H. Cummins has been sick of gripe. Mr. John Naylor has been sick, but is better.

J. W. McQueen who sold his farm here to John T. Rigby, has moved to Brodhead, where he purchased a farm of 149 acres for \$3,200.

The revival at the Methodist church closed Sunday night. There were quite a number of professions, and backsliders were restored while the sinner was made to realize his condition and seek the paths of righteousness. The influence for good is unmeasured and the surrounding community has been benefited. The lecture, "Booze and Boodle," at the Baptist church was well attended, the house was filled to overflowing. Rev. Johnson is a wide awake temperance worker and in this lecture presented facts and figures. Rev. Johnson and wife left for Wilmore to visit his father, "Free Silver" Johnson, but will return soon to Lincoln and engage in a revival at Hebron church.

The school here closed on Friday. Miss Holtzclaw the teacher has taught a good school and receives the sincere approbation of patrons and pupils alike. Henry Blankenship, the only pupil not missing a day this term, received a nice book. This makes three terms of school consecutively which the youngster has attended with not a day missed.

Do you know that croup can be prevented? Give Chamberlain's Cough Remedy as soon as the child becomes hoarse or even after the croupy cough appears and I will prevent the attack. It is also a certain cure for croup and has never been known to fail. Sold by Peany's Drug Store.

Lives on 45 Cents a Week

BOBBITT HAS HIGH COST OF LIV-
ING BEATEN BY A FRAZZLE.

Crab Orchard, Ky., Feb 28.

To the people of Lincoln county—Much has been said about high cost of living. For several months I have lived exceedingly well on forty five cents a week: 15 cents worth of sausage or ham, 10 cents worth of meal, 10 cents worth of coffee, ten cents worth of buttermilk. The most fastidious epicure does not live with better than this.

If the people want to know something about good living, had read some of my school books, poor inefficient teachers, the offspring of sorry school books, and high taxes, aviators and automobiles, let them all especially Uncle Jim Moser and Geo. Carter, whose wealth and economy are examples by which witnesses on the stand illustrate their testimony, crowd the court house county court day in April. 'Tis not high taxes or fast running or high flying that has made George Carter well nigh a millionaire but energy, industry and economy. George don't want to enter into a division with Rockefeller because he can neither eat nor drink stocks and bonds nor railroad cars.

FONTAINE FOX BOBBITT

MRS. LUCY MASTIN DEAD.

Mrs. Lucy Mastin wife of J. C. Mastin died at her home on Hanging Rock Tuesday of tuberculosis and buried in Buffalo Cemetery after services at the home, conducted by Rev. J. J. Dickey. She leaves a husband and nine children to mourn her loss.

Mrs. Mastin was born June 30 1862 and joined the Christian church in her early childhood. She was the daughter of Leonard Frounce, of Harrison county, and was married to J. C. Mastin 15th March 1880 and to their union were born nine children.

ECZEMA CURE A BEAUTY WASH

Although D. D. D. Prescription has been recognized for years as the one remedy for Eczema, Psoriasis, and all other forms of skin diseases, it is now known that there is no other wash even those used by the beauty specialists, that can compare with this mild liquid for cleansing the skin of pimples, blackheads, rash, and all similar skin afflictions.

For this reason alone a bottle of D. D. D. should be kept on hand in every household. A trial bottle 25c will show you the merits of this great remedy as a complexion wash.

D. D. D. seems to remove the cause whatever the trouble may be, cleanses the skin, and leaving it as soft as smooth as clear as that of a healthy child.

Get a 25c bottle today and keep it in the house.

HON. CHARLES A. HARDIN,
of Mercer County

FOUR NEEDED LAWS.

A great many prospective candidates for the legislature are telling how strong they are for the passage of good road laws, and a fairer taxation system. Both are of paramount importance, but there are four other measures, which ought to receive the highest consideration and in the event there is a democratic platform convention held this year, they should by all means be included in the platform. The most enlightened of the country today are for these measures for they bring the government more closely into the hands of the masses than anything else. They are the initiative, referendum and recall and direct primaries.

The direct primary principle is understood by most everyone. If a man distrusts the capacity of the people to govern themselves, he will oppose the initiative, referendum, and recall. If he believes in popular government, he will favor these three measures.

The initiative is the proposal of a new law by a petition signed by a fixed percentage of the voters. In Oregon 5 per cent of the voters can propose a new law, which must then be submitted to all the voters at an election for rejection or adoption.

By the initiative, the people can act if the legislature neglects or refuses to act. If the Representative will not do what is wanted, the people can do it themselves. If powerful special interests, by paid lobbies and influence defeat a popular measure in the Legislature, the people through the initiative, can enact it into law. Special interests cannot corrupt all the voters or even a majority of the voters. The initiative is direct legislation by a majority of the voters at a general or special election and after a fair discussion. It is direct, the movement of, by, and for the people.

The Referendum.
The referendum is the submission of a proposed law to the voters. It may be demanded on petition of the voters, or granted voluntarily by the Legislature. It recognizes the power of the people to make laws. The constitution of Wisconsin was adopted on a referendum vote. The primary election measure became a law on a referendum vote in 1904. When all parties recognize the necessity of the referendum on measures of the highest importance, why can it not be used as the regular and orderly procedure to register the will of the people? It is now so used by scores of City Councils in referring important questions to the people.

The Recall.
The recall was adopted in Oregon through the initiative in 1908. By a popular vote of 58,381 to 31,002. That decisive vote shows that the people want the right, under reasonable limitations, of recalling an unfaithful public official. On such limitation is the fixing of a petition for the recall signed by at least 25 per cent of the voters in the given district at the preceding election. A special election within twenty days determines the recall of such officer and the election of another who will truly represent the people.

Every firm or corporation employing an agent at a distance retains the power of recall and summarily uses it in case the agent betrays the interests of his principal. The State is a corporation, but the people are the stockholders and directors and the Representative is the agent who should truly and fairly represent those who elected him.

The recall works by threat of use as well as by actual use. In Des Moines, in 1909, the evident determination to use it if necessary, caused the hostile City Council to appoint a police marshal who had the confidence of the people. In Los Angeles the City Council had voted away three miles of river bed worth \$1,000,000. The threat of the recall compelled the City Council to rescind that vote and restore the property to the city. The threat of the recall forced certain members of the Oregon Legislature in 1909 to carry out their pledges to abide by the popular vote for United States Senator. The power to use the recall and the certainty that it will be used if necessary will in most cases bring the desired result—the obedience of the Representative to those who elected him.

When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, cures inflammation, breaks up liver and cures female weakness.

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about women's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Compendium of Women's Diseases—revised, up-to-date edition, in paper covers. In handsome cloth binding, 2 stamps.

A 50-cent bottle of
Scott's Emulsion
given in half-teaspoon doses four times a day, mixed in its bottle, will last a year-old baby nearly a month, and four bottles over three months, and will make the baby strong and well and will lay the foundation for a healthy, robust boy or girl.

Free Remedy Helps Children

Many a mother has learned of a way of avoiding sickness in her family, especially among the children, by the use of a free sample bottle of the famous laxative, Dr. Caldwell's Syrup Pepsin. This offer of the doctor's to send a free sample bottle has been responded to by thousands of women in all parts of America.

This Dr. Caldwell's Syrup Pepsin is a truly wonderful laxative and especially adapted to the needs of babies and children because it is pleasant to taste and no child will refuse it. Then, it is mild and never gripes. It is all that a child's remedy should be, though it is a good laxative for the whole family because it is effective at all ages. It is simply not dynamic like salts, pills and powerful cathartics, which should not be given to children anyway.

Nine times out of ten when a child complains and you don't know exactly what is the matter with it, it needs a laxative—its bowels are constipated. Syrup Pepsin will correct the trouble, ease up the child and soon it will be well again—over night wonderful results have been secured with Syrup Pepsin.

You can buy it of any druggist at fifty cents or a dollar a bottle, the latter being the family size, but you are invited to make a test of it first at the doctor's expense. Send him your address today and he will send you a free sample bottle direct to your home. Then when satisfied buy it of your favorite druggist.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 602 Caldwell building, Monticello, Ill.

There is more Catarrh in this section of the country than in other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proved Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional Cure on the market. It is taken internally in doses from 10 to 25 grains. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. They are free. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists. Take Care! Logan McKee Check Dead

BRILLIANT YOUNG ATTORNEY SUCCEEDS TO TYPHOID

Much sorrow was caused here Wednesday when news came of the death at Danville of Logan McKee Check, one of the brightest young lawyers in this section of the state. He passed away after a short illness of typhoid fever.

Mr. Check was the second son of Mr. and Mrs. John A. Check, and was born July 12, 1886, in Danville, and therefore, had he lived until the 13th of next July, would have completed his 25th year. He received his academic training at the Preparatory Department of Central University, afterwards entering the latter institution and graduating with the Class of 1907. He was also a graduate of the Ann Arbor Law School, returning to Danville to enter upon the practice of his chosen profession, and when the Hon. L. L. Walker was made the judge of this Judicial District, he appointed Mr. Check as Master Commissioner of the Boyle Circuit Court, which position he held at his death, and had filled with eminent satisfaction.

Young Check attracted attention to himself at the last Republican Convention of the Eighth District, when he made a vigorous plea for a more progressive platform for the party.

He was a devoted and consistent member of the Second Presbyterian church, and had recently become a member of the Elk's Club of Danville. Mr. Check is survived by his father, mother and sister, Miss Mary Abby Check, and one brother, the Rev. Powell Check, the latter now in Germany, taking the post graduate course in Theology at the University of Berlin.

The funeral services were held at the Second Presbyterian church of Danville conducted by the Pastor, Dr. J. Q. A. McDowell Thursday at three o'clock, and the interment followed in Bellevue cemetery.

The Senate Wednesday voted that William Lorimer, of Illinois, was legally elected to his seat in that body. Senator Beveridge's resolution declaring that he had not so been elected was defeated 46 to 40.

Abraham Ruef, of San Francisco, was granted a seven days' stay of execution to give him time to settle up his affairs before going to prison to serve a 14-year term for bribery.

The Famous Rayo

Does Not Strain the Eyes

Don't use a small, concentrated light over one's shoulder. It puts an unequal strain on your eyes. Use a Rayo, a soft, mellow light that cannot flicker and equalizes the work of the eyes, such as the Rayo Lamp gives, and avoid eye strain.

The Rayo is designed to give the best light and it does.

It has a strong, durable shade-holder that is held firm and true. A new bumper gives added strength. Made of solid brass and finished in nickel. Easy to keep polished. The Rayo is low priced, but no other lamp gives a better light at any price.
